kingdom

SETUP
Count 10 tokens for each player and put them in a single central pile. Shuffle the cards into a face-down deck. Deal a hand of 3 to each player.

EACH TURN
Draw a card and play a card.
Then discard the card unless another rule tells you to keep it.

If this happens: Then do this:

You play a 1
THIEF: Take 1 token from any other player.

You play a 2
FARM: Keep the 2 in front of you.
Each farm lets you draw +1 card and play +1 card each turn.

You play a 3
MERCHAND: Take 3 tokens

You play a 4
KNIGHT: Take 4 tokens

You play a 5
ROYALTY: Take 5 tokens

The game ends when there are no more tokens.
The player with the most tokens wins.
