DEAR COLLEAGUES,
Please see the information below from the LaGuardia Co-op:

NYU LAGUARDIA CO-OP | STUDENT TECH CENTERS

We are the tech consultation team at LaGuardia Co-op. We are a non-department affiliated, tech-oriented student work space provided by central IT, NYU. We currently offer, free of charge:

a. A fully furnished Mac classroom with 2 projectors, useful for teaching software learning courses.

b. Video Recording Booths with green screens, useful for interview, video, and audio recording.

c. CISCO Tele-Presence, a web conference service for overseas lectures and meetings. DEAR COLLEAGUES,
d. Virtual Reality computer and headsets to facilitate 3D designs and exploration.

e. Consultations on all aforementioned and other services we currently offer, such as 3D printing and 3D design software.

f. Events and introductory workshops on various softwares and technological processes.

Feel email us to schedule a tour and/or consultation of the space, and please don't hesitate to refer anyone in your department to us.

Best,
NYU LaGuardia Co-op

539-541 LaGuardia Place, New York NY 10012
(212) 998-3427
