43. NUDITY

A. The Producer’s representative will notify the performer (or his representative) of any nudity or sex acts expected in the role (if known by management at the time) prior to the first interview or audition. The performer shall also have prior notification of any interview or audition requiring nudity and shall have the absolute right to have a person of the performer’s choice present at that audition. Total nudity shall not be required at such auditions or interviews; the performer shall be permitted to wear “pasties” and a G-string or its equivalent.

B. During any production involving nudity or sex scenes, the set shall be closed to all persons having no business purpose in connection with the production.

C. No still photography of nudity or sex acts will be authorized by the Producer to be made without the prior written consent of the performer.

D. The appearance of a performer in a nude or sex scene or the doubling of a performer in such a scene shall be conditioned upon his or her prior written consent. Such consent may be obtained by letter or other writing prior to a commitment or written contract being made or executed. Such consent must include a general description as to the extent of the nudity and the type of physical contact required in the scene. If a performer has agreed to appear in such scenes and then withdraws his or her consent, Producer shall have the right to double, but consent may not be withdrawn as to film already photographed. Producer shall also have the right to double children of tender years (infants) in nude scenes (not in sex scenes).
