POLICY

All computer systems, including HPC systems, operated by New York University (NYU) may be accessed only by authorized users. Authorized users are granted specific, limited privileges, which may be revoked by NYU or NYUAD at any time, in their use of the system. The data and programs in this system may not be accessed, copied, modified, or disclosed without prior approval of NYU. Access and use, or causing access and use, of this computer system by anyone other than as permitted by NYU are strictly prohibited by NYU, and may subject an unauthorized user, including unauthorized employees and students, to criminal and civil penalties as well as NYU-initiated disciplinary proceedings. The use of this system is routinely monitored and recorded, and anyone accessing this system consents to such monitoring and recording.
