Begin SSO integration process

Step 1: Read Integrating with NYU Single Sign-On guide to determine the integration type for your application.

Step 2a: If doing SAML integration, please complete the SAML integration planning questionnaire.

(For members of InCommon, please complete the SAML integration planning questionnaire for Incommon Members)

Step 2b: If doing OpenID Connect (OIDC) integration, please complete the OIDC integration planning questionnaire.

Step 3: Send completed questionnaire to idm.services@nyu.edu.

NOTE: For all application/service owners, please review the Project to Service Transition Checklist and Style Guide for guidance and requirements regarding Service Naming and User Interface.
