For HPC Account Renewals, the page will look like this:

Here, all systems should be selected by clicking the checkbox in the menu bar, and choosing “Select Everything.”
5. Then, the “Select Bulk Action” menu is used to Approve or Reject all items selected. Please note that the line items may span multiple pages and all items must be acted upon in order to complete the request. Clicking “Complete” will complete the request.

6. The account renewal will then be processed within a day.
