UDW+ Dean's Dashboard

Contents

This dashboard provides an overview a school's finances, faculty and staff, teaching, and sponsored program activity. The dashboard generally provides a static view of a school's activities to complement other sources that provide current information.

- Finance and sponsored program summary metrics are for the prior fiscal year.
- Faculty/staff headcount metrics are from the official annual snapshot taken on November 1.
- Student headcounts are from the fall census.

The link to the Departmental Metrics Dashboard at the top of this page provides access to more detailed departmental information.
