This section is designed to offer a self-paced guided learning experience about NYU Classes.

### Video: Get Started!

From accessing NYU Classes to creating your course site... Learn the basics in just five minutes!

### Get Started Quick Guide!

>> Review the Instructor Quick Start Guide to learn the basics of NYU Classes!

### Important Note for the GNU

If you are going to be traveling or using NYU Classes at one of the university's global sites:

- Change your NYU Classes Time Zone, ensuring that all deadlines and scheduled entries match your current location's time zone. NYU Classes: Setting your time zone

- Set up your NYU VPN (Virtual Private Network) to access all supported University Services.
