1. Purpose – The Academic Planner Dashboard is designed to display the requirements for a given plan of study and what courses students should complete, sequenced by term. Questions answered in this dashboard include:
   1. What requirements have been completed by a student and in what term?
   2. What courses do student plan to take to fulfill outstanding requirements and in what term?
   3. How many students plan to study abroad by term and site?

2. Target Audience – This dashboard is intended for school academic management personnel and student advisers.

3. Dashboard Pages –
   • Student Requirement Detail

4. Training and Access – While in Beta, access will only be granted via the Registrar’s office. After Beta, access will be granted to those having student reporting credentials in UDW+. To request UDW+ student reporting credentials, please visit UDW+ Student Reporting Training and Access.

5. Data Security – This report is secured at the dashboard and subject area level.

7. Support – If there is an issue that you would like to report or you have questions about UDW+, please contact the Decision Support Group by email at askDSG@nyu.edu or call 212-998-2900 (extension 82900).

8. Additional Resources – For more information on academic planning, please visit the Academic Planner home page. Training is recommended for those who are new to UDW+. To schedule a one-on-one training session, contact the Decision Support Group at 212-998-2900 or email askds g@nyu.edu. The NYU Business Glossary is a living document that contains commonly used NYU business terms for reference.
