Spacegraph Macro

The Spacegraph Macro requires the Graphviz Plugin
To use the Spacegraph macro, you will need to install the Graphviz plugin onto your Confluence site. This plugin is not shipped with Confluence by default, and is not officially supported by Atlassian.

- Please read more about supported and unsupported plugins.
- You can find more information about the Graphviz plugin on the plugin documentation page.

The Spacegraph macro displays a chart of all the pages in a space and the connections between them.

For details on composing diagrams, see the GraphViz documentation.

**Spacegraph Macro**

```
(spacegraph)
```

Optional Parameter

Specify the space by including its space key in the macro

```
(spacegraph:doctemp)
```

By default, the graph of the current space is shown.
