NYU Awards

General Information:

- The NYU Awards page provides a view to reference the following information for specific types of Financial Aid received by NYU students:
  - # of Students (received type of award)
  - Total Award Amount
  - Average Award Amount
  - Disbursed Amount

Prompt Filters:

- By default the page has the following prompt filters:
  - "Aid Year" = Current Aid Year
  - "Financial Aid Source" = Federal
- The user has the capability to choose specific criteria based off of the following prompts:
  - Aid Year - The year student received type of aid
  - Financial Aid Source - Source of funding (Federal, Institutional, Private, etc.)
  - Financial Aid Type - Type of Award received (Grant, Loan, Scholarship, Work Study, etc.)
  - Federal ID - The specific type of award received (i.e Loans: Subsidized or Unsubsidized)
  - Item Type ID - Unique Identifier that is representative of the type of award received

"NYU Awards" report:

- The analysis shows the number of students that received each type of award, the total award amount granted to those group of students, the average award amount allocated per student and the disbursed amount (based off the prompt criteria selected).
- There are two views in this report
  - The first view allows the user to see the data based off of the Financial Aid Source, Type and Federal ID.
  - The second view allows the user to view the data by item type this is useful in cases which the user is looking for specific item types.
- The data is available for the following:
  - Aid Year: Beginning in 2011 and beyond.
  - Financial Aid Source: Federal, Institutional, Other, Private, State
  - Financial Aid Type: Athletic, Bursary, Fellowship, Grant, Loan, Not Available, Scholarship, Waiver, Work/Study
  - Federal ID: Specific types of Grants, Loans, and the Federal Work Study Program
  - Item Type: User has capability to filter by a specific item type id

Data Note: Due to the sensitivity of the data it will be distributed at the discretion of the Office of Financial Aid and/or Office of Institutional Research.
