Viewing Restricted Pages

Restricted pages are pages that have 'View' or 'Edit' restrictions applied to them through page-level restrictions.

You need to be a space administrator to view the list of restricted pages in a space.

To view restricted pages,

1. Click on the 'Browse Space' link for the space. This is located at the top of every page or beside the space link on the dashboard.
2. Go to the 'Space Admin' tab. This tab is only displayed if you are a space administrator.
3. Click on 'Restricted Pages' in the left panel under the heading 'Security'. A list of all restricted pages in the space is displayed.
4. Click on the 'lock' icon to remove restrictions for the page.

Here's an example:
