HPC People
The following acknowledgment statement should appear in a publication of any material that resulted from using the NYU IT HPC resources, services, and staff expertise.

"This work was supported in part through the NYU IT High Performance Computing resources, services, and staff expertise"

In particular, users of the Brooklyn Research Cluster should use the following statement:

"This work was supported in part through the NYU IT High Performance Computing resources, services, and staff expertise. Funding provided by NSF award MRI-1229185"
