1. Purpose – The Registration Pipeline Subject Area page allows "same time last year" and "year over year" comparison of headcount and points as well as entry group and financial clearance information. It contains current and census data and allows schools to compare where they are today versus where they are at census (actuals to goals comparison). It also contains an entire list of students, including students who are on leave of absence and not term activated.

2. Fact Amounts –

3. Examples –

4. User Notes –

5. Additional Reports – Please visit the Registration Pipeline for additional information.
