**Get Started Quick Guide!**

>>Review the Instructor Quick Start Guide to learn the basics of NYU Classes!

---

### Important Note for the GNU

If you are going to be traveling or using NYU Classes at one of the university's global sites:

- Change your NYU Classes Time Zone, ensuring that all deadlines and scheduled entries match your current location’s time zone. NYU Classes: Setting your time zone

- Set up your NYU VPN (Virtual Private Network) to access all supported University Services.
