Get Started with NYU Classes!

**This section is designed to offer a self-paced guided learning experience about NYU Classes.**

**Video: Get Started!**

From accessing NYU Classes to creating your course site... Learn the basics in just five minutes!

**Get Started Quick Guide!**

>>Review the Instructor Quick Start Guide to learn the basics of NYU Classes!

**Important Note for the GNU**

If you are going to be traveling or using NYU Classes at one of the university's global sites:

- Change your NYU Classes Time Zone, ensuring that all deadlines and scheduled entries match your current location's time zone. NYU Classes: Setting your time zone

- Set up your NYU VPN (Virtual Private Network) to access all supported University Services.
