Using the Clusters

Union Square  Bowery  Cardiac

These guides are assembled to help our community to continue in its effort of scientific
discovery.
The procedures and commands described in this section apply to USQ, Bowery and Cardiac.

**PBS Script Generator**
An interactive tool that generates PBS script based on user's input. Check [this page](#) for more details.

**Front-Line HPC Consulting**
HPC consultations are available once a week, Monday 1-3 PM. Appointments are required. Please make an appointment at [hpc@nyu.edu](mailto:hpc@nyu.edu).
