Get Started with NYU Classes!

This section is designed to offer a **self-paced guided learning experience** about NYU Classes.

**Video: Get Started!**
From accessing NYU Classes to creating your course site... Learn the basics in just five minutes!

**Get Started Quick Guide!**
>>Review the Instructor Quick Start Guide to learn the basics of NYU Classes!

**Important Note for the GNU**
If you are going to be traveling or using NYU Classes at one of the university’s global sites:

- Change your NYU Classes Time Zone, ensuring that all deadlines and scheduled entries match your current location’s time zone. [NYU Classes: Setting your time zone](#)
- Set up your [NYU VPN (Virtual Private Network)](https://example.com) to access all supported University Services.
