Further Reading about Developing Technical Documentation on Confluence

This page is part of the guide to developing technical documentation on Confluence. Once you have absorbed all the information in this guide, you may be ready for more reading. 😊

- The Confluence documentation: NYU Wikis Help Center.
- Tips from other technical writers, in the Confluence documentation: Tips of the Trade.
- Blog post about using Confluence for online help: Using a wiki for online help.
- Now you have your documentation space up and running, it’s fun and rewarding to use the full power of the wiki to engage your readers and embed content from other social sites. Here is a blog post and presentation slides on engaging readers in the documentation.

Let us know about more links

We plan to add more links to this page or to the 'Tips of the Trade' page. Let us know of any we have missed.
